

We are proud to be part of research

Last year, at **Chilwell Valley and Meadows Practice**

we supported people
to participate in **11**
research studies

supporting research in:

-  Anxiety and Depression
-  Chronic Kidney Disease
-  Dementia

Taking part in research
helps us to improve
health and social care

Across the East Midlands in 2019/20...

11,171
people

took part in
61 studies

at **259**
GP practices

For more opportunities to take part
in research, ask your doctor or visit:
