The Notts Care Record provides clinical and care staff directly involved in your care access to the most up to date information about you. It does this by sharing appropriate information from your health and care records between health and social care services in Nottingham and Nottinghamshire.

Examples of what's included in your Notts Care Record:

- Diagnosed conditions
- Medications
- Allergies and adverse reactions
- Test results
- Referrals, clinical letters and discharge information
- Care plans
- Contact details
